Year 6

Autumn Term (1)

Your child's topic is:

Frozen Kingdom

Open up to find out more...

Your child will be learning...

- about place value in whole numbers up to 1 million and decimals.
- to confidently use written methods for the four rules of number.
- identify similarities and differences between the Arctic and Antarctica.
- how to classify all living things into different groups according to their features.
- what democracy is.

As part of this topic we will ...

- locate polar regions on a map and record longitude and latitude positions.
- use classification keys to identify plants and animals.
- explore and recreate Inuit art

- make igloo models

How you can help at home.

Home learning expectations:

- Please encourage your child to practise times tables and division facts up to 12×12 regularly on TT Rockstars to develop speed and accurate recall.
- Encourage your child to use the Corbett Maths primary website to practise maths they have learnt in class. They will also be given information about the Key Instant Facts for Maths which shows all the important facts your child must be able to do.
- Spend time practising their 6 target spelling words. Remind your child to bring their yellow spelling book back to school every Monday.
- Make sure your child reads every day for at least 10 minutes. They will have their school reading book and another book of their choice.
- Help your child to learn the key facts and vocabulary definitions for this topic by reading the knowledge organiser. It will help them with their learning in class.
