Dear Parent/Guardian

Notes for completing the vegetarian & egg free or vegan meals request form

Please complete all sections on the form and return to the address at the bottom; **and keep a copy for your records**. Once we have received the form, you will receive a special menu for your child by post.

Please allow 15 school days for your menu to arrive (Please note at certain times of the year this may be longer due to increase volume of forms being sent in this tends to be September & October).

Once you have received your child's menu, we ask that you inform the school office as to when you wish to start school dinners. The same menu will also be sent to your child's school cook. The school cook may have to order in some specific products for your child so there maybe a slight delay in the starting of the menu. If this happens then please send in a packed lunch from home.

Thank you for taking the time to read this information and please do not hesitate to contact me if you have any further queries or concerns.

Yours sincerely,

A handwritten signature in black ink that reads "Mhesuria".
