## Year 4 Autumn 1

Your child's topic is:

**How are we linked to the UK and Europe?**

Open up to find out more...

## Your child will be learning ...

- about the countries that make up the UK
- about a European country
- how to read grid references and compass directions
- about Hindu worship and naming ceremonies (RE)
- about democracy (RHE)
- about electricity (Science)
- about landscape art and artists (art)
- how to do gymnastics (PE)

## As part of this topic we will be...

- reading and writing short narratives and poems
- creating a fact file about a country in Europe
- taking part in an end-of topic United Kingdom Day
- reading **The Spiderwick Chronicles**

## How you can help at home...

Help your child learn the **meaning** and **spelling** of the words they bring home. The following **free** websites will help:  
<https://spellingframe.co.uk/>  
<https://www.spellingcity.com/>

Help your child to learn the information on the knowledge organiser that they've brought home.  
Select one thing at a time to master!

Listen to your child read their reading book, or find some time to let them tell you about what they've read. They need to read ten times a week for at least ten minutes each time.

Help your child learn the times table they are on, and test them when they are ready – little and often!

**Your child will also be bringing home a sheet of key maths facts that we'd like them to learn.**
